Telethon 2012 - Volunteer Information

On March 17, 2012 hundreds of volunteers will join together in a common cause - to raise \$125,000 in pledges for over 5,100 children and adults with disabilities, mental illness, and special needs in our communities. Volunteers can help contribute to the AID Telethon in a variety of ways:

Phones

200 Volunteers are needed just to answer the phones throughout the day. Interested parties may volunteer individually or as a group representing an organization or business. These are truly challenging times and we hope you will consider supporting our efforts by volunteering just a few hours of your time. Being a phone volunteer is a short and easy time commitment that is also vitally important to the success of Telethon 2012.

Performers

Got Talent? We'd love to have you participate in our event! Talent showcases run throughout the day featuring local dancers, singers, musicians and more. The Telethon is broadcast live on TV and streamed online to hundreds of viewers. It's your golden opportunity to grab those few minutes of fame you so deserve!

For more information on how to get involved with the 2012 Telethon visit our website at www.the-association.com or call Wendy Bialek at 847-931-2294. Be sure to call in and pledge your support for AID on March 17, 2012. To make a pledge during the Telethon, call 630-466-2494.
